

**ILLUSTRATIVE EXAMPLE FOR
MY CHOICE MPF CONSERVATIVE FUND OF THE
MY CHOICE MANDATORY PROVIDENT FUND SCHEME**

Issue date: 28 Sep 2012

PURPOSE OF THE EXAMPLE

This example is intended to help you compare the total amounts of annual fees and charges payable under this Scheme with those under other registered schemes.

THIS EXAMPLE ASSUMES THAT:

Your MPF Account Activities

- (a) your monthly relevant income is \$8,000
- (b) you have put all your accrued benefits into the MPF Conservative Fund; you have not switched your accrued benefits to other constituent funds during the financial period
- (c) you have not transferred any accrued benefits into or out of this Scheme during the financial period

Your Company Profile

- (d) 5 employees (including yourself) of your employer participate in this Scheme
- (e) the monthly relevant income of each employee is \$8,000
- (f) no voluntary contribution is made
- (g) each of the other 4 employees has the same MPF account activities as yours

Investment Return and Savings Rate

- (h) the monthly rate of investment return is 0.5% on total assets
- (i) the prescribed savings rate is 3.25% per annum throughout the financial period.

Based on these assumptions, the ***total amounts of annual fees*** you need to pay under this Scheme in one financial period would be: **HK\$35**.

Warning : This is just an illustrative example. The actual amounts of fees you need to pay may be ***higher or lower***, depending on your choice of investments and activities taken during the financial period.
