1. Clients who use BOC Corporate Internet Banking services are not applicable to FPS. If you need to use BOC Corporate Internet Banking to pay MPF contributions, please refer to [BOCPT Contribution Instructions](#) and the [Corporate Internet Banking Service Guide](#) on the BOCHK website.
2. If you use other bank's FPS with a remark box, please **be sure to** write the 11-digit MPF scheme number to avoid delays due to failure of identifying your contributions.
