This Key Scheme Information Document (“KSID”) provides you with key information about **BOC-Prudential Easy-Choice Mandatory Provident Fund Scheme** (“Easy-Choice Scheme”), which forms part of the offering document. You should not make investment decisions based solely on this KSID. For details of Easy-Choice Scheme, please refer to the MPF Scheme Brochure and the trust deed of Easy-Choice Scheme. Copies of these documents are available via the following QR code:

Why is MPF important to you?

The Mandatory Provident Fund (“MPF”) is an employment-based retirement protection system with an aim to provide assistance to the working population of Hong Kong (employees (full time or part-time) and self-employed persons aged 18 to 64) accumulating their retirement savings by making regular contributions. Apart from those who are exempt, employees (full time or part-time) and self-employed persons aged 18 to 64 are required to join a MPF scheme.

To enrol in Easy-Choice Scheme, please visit BOCI-Prudential Trustee Limited (“BOCPT”)’s website to obtain the relevant documents and forms for completion and submit to us:

www.bocpt.com/homepage/en/easy-choice-mpf/easy-choice-mpf-download-corner/

- To facilitate your retirement planning, you may refer to MPFA’s Retirement Planning Calculator available at the website of Mandatory Provident Fund Schemes Authority (“MPFA”)

<https://minisite.mpfa.org.hk/mpfie/en/retirement-planning-calculator/> to calculate:

- **Your retirement needs**
- **Your projected MPF and other retirement savings upon your retirement; and**
- **How much you need to save to meet your retirement needs**

An employer must select a MPF scheme and enrol employees on to that scheme. As an employer, it is your legal obligation to enrol your employees into the MPF scheme you are participating in, make contributions timely and report terminated employees to the MPF Trustee. You may contact us for any questions relating to your MPF obligations as an employer.

How to become a participating employer?

- To become a participating employer in Easy-Choice Scheme, please visit BOCPT’s website to obtain the relevant documents and forms for completion:

www.bocpt.com/homepage/en/easy-choice-mpf/easy-choice-mpf-download-corner/

Your MPF contributions

Mandatory contributions

- If you are an employee (full time or part-time), both you and your employer are required to make regular MPF contributions, based on your “Relevant Income” as follows:

Monthly Relevant Income (HKD)	Mandatory Contribution Amount (HKD)	
	Employer’s Contributions	Employee’s Contributions
Less than 7,100	Relevant income x 5%	Not required
7,100 - 30,000	Relevant income x 5%	Relevant income x 5%
More than 30,000	1,500	1,500

- “Relevant Income” refers to all monetary payments which include any wages, salaries, leave pay, fees, commissions, bonuses, gratuities, perquisites or allowances, expressed in monetary terms, paid or payable by an employer to an employee, but excludes the severance payments or long service payments under the Employment Ordinance.
- The mandatory contributions made and paid for an employee are fully and immediately vested in the employee MPF account, except for the MPF derived from the employer’s contributions for offsetting severance payments or long service payments.

- If you are a self-employed person, you are required to make the MPF contributions as follows:

Relevant Income (HKD)		Self-employed Person's Contributions (HKD)
Annual	Monthly Average	
Less than 85,200	Less than 7,100	Not required
85,200 - 360,000	7,100 - 30,000	Relevant income x 5%
More than 360,000	More than 30,000	360,000 x 5% = 18,000 per year OR 30,000 x 5% = 1,500 per month

Voluntary contributions

- Employees, self-employed persons, employers or other eligible persons may choose to make voluntary contributions ("VC") on top of the mandatory contributions, subject to the governing rules of a MPF scheme. There are three types of VC under Easy-Choice Scheme:

	Standard Voluntary Contributions	Tax Deductible Voluntary Contributions ("TVC")	Special Voluntary Contributions
How to Open an Account	Your employer helps you open an account under the MPF scheme chosen by the company	You select your own MPF scheme and open an account on your own Contribution requirement: <ul style="list-style-type: none"> Minimum amount of monthly contribution: HKD300 Minimum amount of lump sum contribution: HKD1,000 	You select your own MPF scheme and open an account on your own Contribution requirement: <ul style="list-style-type: none"> Minimum amount of monthly contribution: HKD300 Minimum amount of lump sum contribution: HKD1,000

- Please refer to sections 6.3 - 6.5 of the MPF Scheme Brochure of Easy-Choice Scheme for the details of the different types of VC. For any enquiries on VC, please contact us or visit BOCPT's website to obtain the MPF Scheme Brochure, relevant forms for VC:

How do we invest your money?

- You can choose your investment choices by completing the relevant enrolment form/application form upon joining the MPF scheme. Investment choices include Default Investment Strategy ("DIS"), a ready-made investment strategy with fees cap and automatic de-risking feature and/or the constituent funds available under Easy-Choice Scheme.
- If no investment instruction is made by you before the first contribution and/or any accrued benefits transferred in or if your investment instruction is deemed invalid, your relevant contributions/acrued benefits will be invested in accordance with DIS.
- You may refer to Sections 3, 4 and 6 of the MPF Scheme Brochure of Easy-Choice Scheme to understand the details of DIS and constituent funds before making the investment instruction:

What are the risks of your MPF investment?

- Investment involves risks. Section 4 of the MPF Scheme Brochure of Easy-Choice Scheme provides the details of the risk factors to which the constituent funds are exposed. You may obtain the relevant information via BOCPT's website:
www.bocpt.com/homepage/en/easy-choice-mpf/easy-choice-mpf-download-corner/offering-document/
- The risk class is to be assigned to each constituent fund according to the seven-point risk classification based on the latest fund risk indicator of the constituent fund in accordance with the Code on Disclosure for MPF Investment Funds issued by MPFA. A constituent fund in a higher risk class tends to show a greater volatility of return than a low-risk class fund. The latest risk class of each constituent fund under the scheme is available in the latest fund fact sheet of Easy-Choice Scheme at BOCPT's website:
www.bocpt.com/homepage/en/easy-choice-mpf/easy-choice-mpf-download-corner/fund-fact-sheet/

How to transfer your MPF?

- Under 'Employee Choice Arrangement', employees can choose to transfer the accrued benefits derived from the employee mandatory contributions in your contribution account under current employment (Original Scheme) to any other MPF schemes at their own choice (New Scheme) once per calendar year¹.
- If your transfer involves selling your interests in a guarantee fund in another MPF scheme, please check the terms and conditions of this fund as failure to fulfill some qualifying conditions may cause the loss of guaranteed returns. Your contribution account under current employment may consist of different parts of MPF derived from different sources and subject to different transfer rules, as follows:

Parts of MPF in a contribution account (i.e. Types of contributions that the MPF are derived from)	Transfer rule	Type of account receiving the MPF
Contributions from current employment		
Employer mandatory contributions	Not transferable	Not applicable
Employee mandatory contributions	Transferable once every calendar year ¹	Personal account
Employer voluntary contributions	Subject to the governing rules of the original scheme	
Employee voluntary contributions		
Contributions from former employment		
Mandatory contributions transferred to the contribution account under current employment	Transferable at any time	Personal account or other contribution accounts ²
Voluntary contributions transferred to the contribution account under current employment	Subject to the governing rules of the original scheme	

If you are a self-employed person, you may at any time elect to transfer your accrued benefits under the existing Scheme to another MPF Scheme.

If you are a TVC account holder, you may at any time choose to transfer your TVC accrued benefits in a TVC account to another TVC account of another MPF Scheme that offers TVC.

¹ Unless the governing rules of the original scheme provide for more frequent transfer-out.

² Only applies to employees with two or more contribution accounts. If an employee is employed by more than one employer at the same time, he/she may have more than one contribution account.

How to manage your MPF when changing jobs?

- You should proactively manage the MPF accumulated during your previous employment in one of the following ways:

Method 1

Transfer the MPF to a contribution account opened under your new employment

Method 2

Transfer the MPF to your existing personal account

- If you do not have any personal accounts, and you are satisfied with the MPF scheme chosen by your former employer, you may consider retaining your MPF in a personal account under the scheme of your previous employment for investment.
- You may contact us for any enquiries on the transfer of MPF or visit BOCPT's website to obtain the relevant transfer forms:

www.bocpt.com/homepage/en/easy-choice-mpf/consolidating-accounts-transferring-mpf-arrangement/

When should you adjust your MPF fund choices?

- You are encouraged to manage your MPF account and review your investment choices regularly. As your circumstances change over time, you may decide to change the way your investments are allocated in your MPF account.

How to adjust your MPF fund choices?

- You may change the investment choices of your future contributions or/and rebalance the existing investment in your MPF account (known as 'switching') on each dealing day by submitting a "Change of Investment Fund Instruction" <EC-SM-REBALANCE> ("Instruction") to the Trustee by way of post/courier and fax or make the requests via IVRS[^], internet, smartphone & tablet Apps.

[^] Changing investment mandate for future contribution via IVRS is not applicable to personal account members.

- If BOCPT receives the completed Instruction via facsimile, website, IVRS or other electronic means at or before 4:00 pm on any business day, the Instruction will be processed on the same business day; otherwise the Instruction will be processed on the following business day. If BOCPT has received a completed Instruction submitted by post, the Instruction will be processed within two business days. Switching Instruction only applies to the existing accrued benefits and will not affect the way in which any future contributions should be invested which should be made in accordance with the latest valid investment mandate.

- You may contact us for any enquiries on changing investment choices or visit BOCPT's website to obtain the relevant fund switching forms:

www.bocpt.com/homepage/en/easy-choice-mpf/easy-choice-mpf-download-corner/

When can you withdraw your MPF?

- At the time when you reach the normal retirement age of 65, you may choose to withdraw your accrued benefits in a lump sum or by way of instalments or retain your accrued benefits in the scheme.
- By law, there are other circumstances where you may withdraw your MPF earlier on the following six circumstances:

- The law does not stipulate any deadlines for withdrawing MPF. You should consider your personal needs before making a withdrawal application. If you choose to retain all your MPF in your account, no application is required. Your MPF will continue to be invested in the constituent fund(s) you have selected.
- You may contact us for any enquiries on the withdrawal of your accrued benefits or visit BOCPT's website to obtain the relevant claim form and/or statutory declaration (where applicable) for the accrued benefits: www.bocpt.com/homepage/en/easy-choice-mpf/easy-choice-mpf-download-corner/member-claim-for-accrued-benefits/

Additional information useful to you

Hong Kong taxation

Employees are allowed to claim salaries tax deduction for their mandatory contributions, subject to a maximum deduction of HKD18,000 per year. Contributions that are made to TVC accounts may also be eligible for tax deduction.

We recommend that you seek professional advice regarding your own tax circumstances.
