Thank you very much for your participation in the Scheme.

We would like to inform you of the following changes to the Scheme Brochure. The changes will be effective from the date as specified in the summary box below. Unless otherwise defined, capitalised terms used herein shall have the same meaning as defined in the Scheme Brochure.

With effect from 5 June 2025 (“**Onboarding Date**”), the relevant administrative services currently provided by the Trustee will cease and the eMPF Platform Company Limited will take up the administration of the Scheme and provide scheme administration services to handle instructions from Scheme Participants directly through the eMPF Platform (“**Changes**”). The eMPF Platform is a centralized electronic platform and your one-stop online hub for managing your MPF anytime anywhere through the mobile app or web portal.

1. Introduction of eMPF Platform

The eMPF Platform is developed by the eMPF Platform Company Limited (the “**eMPF Company**”) which is a wholly-owned subsidiary of the Mandatory Provident Fund Schemes Authority of Hong Kong (the “**MPFA**”), and operates the eMPF Platform as a not-for-profit public utility. - 3.2. Regarding submission of contribution data, participating employers who currently use their own payroll system to calculate and/or submit contribution data to us should check with their respective payroll vendors or in-house IT system/application developers to ensure system has been enhanced to support data submission to the eMPF Platform via standardized contribution data file upload or API data submission (for API data submission, API integration testing with the eMPF Platform has to be completed). - 3.5. All MPF administrative forms are available from the eMPF website at www.empf.org.hk and the eMPF Service Centres from the Onboarding Date onwards. There will be a grace period of two months following the Onboarding Date during which eMPF Platform will accept our existing administration forms. Please note that our existing administration forms received after the grace period (i.e. 4 August 2025) will be rejected.
- 3.6. Arrangement of e-communication consent for passport holders: Members are required to complete the registration with the eMPF Platform for receiving notices or documents by electronic means including e-notification and e-statement (“**e-Communications**”) from the eMPF Platform. However, if a member previously used passport as identification document to enrol the MPF account(s) in the Scheme, such member will not be able to complete the registration with the eMPF Platform using passport number and receive e-Communications from the eMPF Platform. As a result, the eMPF Platform will send all notices or documents to the member through paper means. If the member wish to continue to receive e-Communications from the eMPF Platform after the Scheme gets onboard, please update the identification document to Hong Kong Identity Card (“**HKID**”) (i) with BOCI-Prudential Trustee Limited before onboarding or (ii) with the eMPF Platform after onboarding.

then such fund switching instruction will not be able to be processed before the Onboarding Date and will be rejected. Accordingly, Scheme Participants will have to submit new instruction to the eMPF Platform on or after the Onboarding Date.

^{*} Investment choice with effective date after Onboarding Date will lead to rejection of the instruction.

The Trustee at Constituent Funds level also performs custodian services. There is however no separate charge for custodian services performed by the Trustee. Custodian services include administering and safe-keeping of investments and assets of the Scheme. For the avoidance of doubt, if sub-custodians are appointed to provide custody services, their fees and charges will be charged separately as a discrete amount, instead of a percentage of NAV per annum, to the Constituent Funds.
